

## **TAX AUTHORITIES EXTEND THE DEADLINE FOR FILING AND PAYING TAX RETURNS UNTIL MAY 2020**

---

The Council of Ministers approved yesterday the [Royal Decree-Law 14/2020](#) by which the term to present and pay certain tax returns and self-assessments is extended.

- The deadline for presentation and payment is **extended to 20 May** (15 May in the case of direct debits).
- It affects all tax returns and self-assessments due between 15 April and 20 May.
- Taxpayers with **a volume of transactions in 2019 of less than 600,000 euros** can take advantage of this measure. In the case of public administrations, the limit will be 600,000 euros of approved budget.
- This measure will not be applicable to tax groups that apply the special tax consolidation regime or to groups of entities that pay taxes under this regime.
